

SAMPLE PRODUCT INFORMATION DOCUMENT

Product Name: Secure Growth Plan

Document Type: Sample Testing Document

Version: 1.0

Date: 1 October 2026

1. Return

The product offers a **guaranteed return under the conditions described in Section 4.**

The official documentation does **not guarantee a specific annual percentage return** unless explicitly stated in the applicable product terms.

2. Charges

Applicable charges and fees may apply. Investors should review the complete schedule of applicable charges before making a financial commitment.

3. Withdrawal

Withdrawal and redemption are subject to the applicable product conditions.

A **lock-in period and exit load may apply** depending on the terms of the product.

4. Guarantee Conditions

Any guaranteed benefit is subject to the conditions, eligibility requirements, and limitations specified in the product documentation.

5. Risk

Financial products involve risks. The product should not be described as completely risk-free.

Investors should read and understand the applicable risk disclosures before making a decision.

6. Important Information

Past performance, illustrations, or examples should not be interpreted as a guarantee of future outcomes.

Investors should independently verify important claims and product terms before committing funds.
